Austin Community Landfill Winter 2023

MANAGERS REPORT

Happy holidays from Austin Community Landfill! At the landfill, things have been steady. By the end of this month, we will complete a 20-acre project that includes adding topsoil to a section of the landfill to promote native grass growth and beautification.

JESSE ANDRADE
Sr. District Mgr

Aside from the day-to-day routine at the landfill, we've also been busy in the community. Recently, we sponsored the Walnut Creek Neighborhood Clean-up. On December 12, we provided a tour to Austin Community College students and staff. They learned about the anatomy of a modern landfill and our day-to-day operation. If you would like to tour the landfill or have any questions, please don't hesitate to call

me at 512-823-2896. We are open Monday - Friday from 7 AM - 5 PM and Saturday from 7 AM until noon.

As the year ends, everyone at Austin Community Landfill wishes our community a joyous holiday season filled with warmth and togetherness. Be safe, and I will follow up again in the first quarter of 2024.

TREE RECYCLING

Transform the spirit of giving into a sustainable act! Bring your real Christmas tree to Austin Community Landfill and let us turn it into mulch for a greener, healthier tomorrow!

For free Christmas tree recycling:
